Back Home From The Philippines

Photo by Barry Sutton, 65-6017.

Back at Altona High School after 12 months in the Philippines, 17-year-old Ruth Hayes, of Davies Street, Altona, finds school here strange and different and much harder than the Philippines. Ruth, a Rotary Exchange Student, has lived in the homes of eight different Rotarians and attended a high school and college during her 12 months absence. At the schools she took varied courses, but mainly subjects dealing with the Philippines. Her present plans are to try for primary school teaching, but her greatest desire is to be able to visit the islands again. Ruth is pictured among some souvenirs.

Youth Meeting

About 30 representatives met in the Civic Hall last week to discuss youth problems. The meeting was only a qualified success. All organisations were not represented—there was a notable absence of sporting bodies.

Many speakers took a negative viewpoint and no strong positive blueprint for the future emanated from the meeting.

The meeting was called to determine the needs of Altona's youth and the means of meeting those needs.

That is such a big question that it is not surprising that widespread viewpoints ranging from pessimism, factual comment to guarded optimism were voiced.

Cr. H. W. Lee was chairman of the meeting which was early thrown open to general discussion.

There was no detailed agenda which could have given a lead to more defined decisions.

There were, however, several valuable points raised and certain proposals of value put forward.

There was general agreement that a 100 per cent. solution to youth needs is not possible. There will be young people at all times who will not respond—who will not conform.

Two youth organisations—Altona North Youth Club and the Boys Brigade have already been disillusioned. These two clubs invited unattached boys

into their ranks. Then their own members stayed away—the new lads caused disturbances. Finally both clubs had to ask the newcomers to leave.

That was the independent experience of two clubs.

Altona Youth Club is depending more on increased attractions. In a few weeks a billiard table, a record player and facilities for coffee making will be provided for teenagers at the club rooms in Civic Parade. A professional instructor has been engaged for gymnastics.

A practical suggestion came from Mr. T. McGarry, secretary of the club. He suggested a hot rod track behind the hall and further it might be possible for Rotary or Apex members to give talks on subjects such as engine tuning, etc.

Other positive proposals included the idea that a record of all facilities for youth in Altona should be available. A speaker said that Bankstown, NSW, publishes a directory which is presented to each school leaver.

It was suggested that courses more attractive to today's youth, for example, car maintenance, be presented for limited periods (perhaps two months). These to be followed from time to time by similar features.

A central committee was discussed and after discussion it was agreed to form one. However, it was pointed out by a speaker widely experienced with youth committees that a most vital point was to define the job of a proposed committee first and then set up the committee.

In closing the meeting Cr. Lee thanked those present for devoting their time and interest to the problems. He said it is most important to help these people.

Next meeting will be held on March 2.

Again we suggest that at this meeting a detailed agenda based on points put forward at the earlier meetings could lead to more effective discussion.

CIVIC OFFICES TO BE BRIGHTENED

Indoor plants are to be provided in the Civic Offices.

This was suggested by Cr. K. Jurga at a meeting of the Parks, Foreshore and Properties Committee and agreed to by council.

He believes this will give the interior a pleasant aspect and complement the impressive exterior.

COUNCIL ELECTION

Two candidates will contest the Altona Shire Council election on February 26.

The extraordinary election has been called to fill the vacancy caused by the death of Cr. V. L. Hearn.

Nominations have been received from Mrs. M. Evans and Mr. W. L. J. Crofts, both of Civic Parade.

There will thus be a straight out contest between two persons—a unique event in Altona's history. The elected candidate will hold the seat until August of this year.

The candidature of Mrs. Evans was announced in last week's "Star". Mrs. Evans, who was born in Altona, is standing as a representative of the Australian Labor Party.

Mr. Crofts is standing as a ratepayer candidate.

Being local residents, each candidate can expect reasonable support in southern Altona. It appears that success will be largely dependent on their impact on Altona North and East.

BOB DON WINS BOWLS AGAIN

Bob Don has, for the second year in succession, won the club championship of the Altona Bowling Club.

In the eight years of the club's existence he is the first bowler to take off the men's top trophy twice.

In the grand final last Sunday morning he defeated Doug Nettleton 31-25.

The match started off evenly and at the fifth end Bob led 5-4.

He had increased this lead to 11-5 by the tenth end. He continued to go ahead and at the 24th end was leading 26-16.

However, Doug rallied to score a one and two three's. He then was only trailing by three shots.

At one stage when Doug was making a good recovery and was holding two good shots on one end, Bob played an excellent firm shot to dead-end it.

He finally ran out a good winner with the score 31-25.

Bob is wished the best of luck in the coming Champion of Champions matches—each club champion enters and plays off to decide the champion of all Victorian bowlers.

COUNCIL STILL MET

Despite power restrictions on Tuesday evening it was business as usual for Altona Council. However, councillors did not meet in the council chamber but in the committee room.

Lighting in the room was by courtesy of Altona Engineering Company, suppliers of the auxiliary plant which was connected by the Shire Engineer's Department.

The library closed at 7 p.m. on Tuesday and has had to remain closed last night and again tonight, Thursday.

Briquette Dump — INTOLERABLE DEFECT

The dust problem is difficult to control on days when there are gale force winds. Every effort is made to keep the problem to a minimum and the area is watered down to lay the dust on hot, dry days.

So said a spokesman of the State Electricity Commission after strong complaints from dust affected householders living in the vicinity of the briquette depot at Altona North.

Five years ago a headline article in the "Altona Star" gave a report of similar trouble and irate householders. There was a report of a petition from 200 residents, an adverse report from a medical man and a threat of council action.

In the intervening years the dust has constantly recurred, and explanations and promises have been made.

After more than five years suffering all that has been achieved is the somewhat complacent remarks referred to above.

The spokesman went on to say that the depot, which is the main fuel reserve and supply point for the big Newport power station and industries in the western suburbs, was established there 15 years ago when there was not a house within a quarter of a mile of it.

This statement is equally plausible.

The facts may be as stated but added to them surely should be the further fact that when the government purchased this area the land in the immediate vicinity was already subdivided for residential purposes and being sold for housing.

In any case approval of a subdivision for building purposes must lead potential buyers of the land to believe that the area will be entirely suitable for their homes.

If it is not they are entitled to complain until there just complaints are redressed.

SHIRE COUNCIL CANDIDATE

Mr. LES CROFTS.

Mr. Les Crofts has been nominated to fill the vacancy on the Altona Shire Council.

A resident of Williamstown for a lengthy period he came to Altona 18 years ago and now lives in Civic Parade.

A married man with three children, Mr. Crofts is a metallurgist with the Australian Defence Scientific Service.

He has varied community interests being a member of the Seaholme Primary School Committee and Altona Bowling Club, secretary of the Altona Branch of ANA and a trustee of the Western Suburbs Memorial Park and Floral Lawn Cemetery and the Williamstown General Cemetery.

Mr. Crofts is standing as a ratepayer candidate.

Students Accepted

Five former Altona High students have been accepted for the matriculation science course at Melbourne High School.

This move will entail extra cost and inconvenience, but was the only course open to the parents concerned.

With a little forethought perhaps this could have been avoided.

The number of students who returned to Altona High for the matriculation maths-science course at the school this year did not warrant holding of this group and arrangements were made for their transference to Williamstown High.

However, parents of the students had no knowledge of this until Tuesday of last week.

It appears it was probably apparent last year that with only nine pupils in the maths-science leaving group at Altona High that the number presenting for matriculation this year would be insufficient to warrant the course.

On finding there were insufficient numbers the new

head master, Mr. Sier, arranged for their transfer to Williamstown.

However, after investigation the parents were horrified to learn the physics teacher at Williamstown would be leaving in the middle of the year with replacement unlikely.

At this point one parent decided to take matters into her own hands. She rang Melbourne High and on the qualifications quoted her son was immediately accepted. Other parents followed suit and all five were enrolled.

Composite fees will be £12 10s. instead of £4 10s. and uniforms are necessary at very short notice.

As evidence of the efficacy of self help this is admired. It is regrettable, however, that so much inconvenience was caused.

EDITORIAL

A Council Election

Two nominations have been received for the council vacancy. There will be an election.

Its cause is regretted by all. It can be hoped that the late Cr. V. L. Hearn will be followed by a worthy replacement.

This election, we believe, will be largely decided by considerations of the personal characters and ability of the opposing candidates.

That one candidate stands as a representative of the A.L.P. and also is a female will presumably influence many.

But the thinking citizen must accept these facts for what they are worth. He must then ask how each of the candidates measure up to the standards required for the Council of Altona.

The next five years could be Altona's best years.

They will be, given virile leadership, good citizenship and reasonable good fortune.

The question must be asked, which candidates in this election and succeeding elections is likely to add most power to the council and most wisdom to its decisions?

Initiative, independence, perseverance, objectivism and practicality are all called for.

No party has a monopoly of these, neither are they the prerogative of but one sex.

An election, such as this will be a rare event in Altona. It will be a bad thing if the real essentials were obscured by prejudices of any kind.

ALTONA WORKING MEN'S CLUB NEWS

INDOOR BOWLS PROGRAM FOR 1966

During the last few weeks increased attendance and participation in indoor bowls activities clearly indicates that during 1966 there will be further developments in this field of indoor sport.

The committee has a big task ahead of them in organising and arranging the various competitions and social visits to other clubs.

At their last meeting the committee discussed the club program for the whole year.

During March and April there will be team competitions; indoor pennant competition commences the first Tuesday in May and pennant games will be played every Tuesday evening throughout the North-West Area Group of clubs.

All members who desire to take part in the outdoor pennant should put their name on the list posted on the bowls section notice board in the club. Entries close on Thursday, March 17 and the teams to represent the club will be selected by the bowls selection committee.

The club singles championships will be played during September and October and the doubles in November—in December social games will be resumed until the break-up social.

Also during the months of June and July the Victorian singles and doubles championship will be under way.

For the month of June we have two important dates in the indoor bowls. Firstly, the return visit by teams from Altona to Adelaide at the beginning of the month and then on Saturday, June 5, the VIBBA will entertain indoor bowlers from Colac and district at our club.

Saturday, July 30, will be the finals of the Victorian singles championships and on Saturday, August 27, the VIBBA will entertain indoor bowlers from affiliated country clubs (Charlton, St. Arnaud, Ballarat, etc.). Both these events will also be held at the club.

BOWLS SECTION MEETING

The next bowls section meeting will be held on Thursday, February 4, at 7.30 p.m. in the club. The main item of business for this meeting is to elect a bowls selection committee of seven members. Nominations should be made now on the nomination form on the bowls notice board and nominations can be accepted up to 7.30 p.m. on the evening of the meeting. Election will be by ballot paper and the ballot will close by 9.30 p.m. and the selection committee announced at bowls tea time at 10 p.m.

WEDNESDAY AND SUNDAY AFTERNOON BOWLS

In addition to the above fixtures and dates we will continue with our Wednesday and Sunday afternoon social and competition games, and social visits will be arranged with other clubs, particularly our return visit to Charlton.

ASSISTANCE TO NEW MEMBERS

During the last two months a few new members have become interested in the game of indoor bowls and some have been consistent players over this period. The bowls committee confidently anticipates this number will increase in the coming months and are anxious to render the newcomers to indoor bowls the maximum assistance possible.

Therefore, members of the committee will make themselves available to impart an introduction to the game to any new members who come along, in addition Jack Gore will continue this year to introduce and demonstrate one or more rules each Thursday evening before commencing social games to enable all the players become more conversant with the rules of indoor bowls.

NO BOWLS TONIGHT

Due to the power restrictions we shall be unable to play bowls tonight (Thursday) however, any members are quite welcome to come along on Friday evening and have a bowl.

GARDENING

The gardening section will hold their next meeting on Friday, February 11, at 8 p.m. in the club.

COLLECTOR'S MEETING

A meeting of all collectors in the club finance scheme will be held in the club this Sunday, February 13, at 2.30 p.m.

Main items of business for this meeting is to review the whole set up of our finance scheme. To review the progress with new contributors since our last meeting in October and also to clear up any problems in relation to introduction of decimal currency.

TABLE TENNIS

A few more members are now displaying keener interest in table tennis and we look forward to a good attendance for the meeting of our table tennis section to be held next Wednesday, February 13, at 7.30 p.m. when a committee will be elected to organise club table tennis competitions.

GENERAL MEETING

Next Friday, February 18, at 7.45 p.m. in the club building a maximum attendance of all sections is requested for this important meeting.

DRAMA GROUP TAKING MEMBERS

The next meeting of the Altona Drama Group will be held on Monday, February 14, 1966, at the youth hall in Civic Pde.

It will be enrolment night and intending members are advised that they will be expected to fill out membership forms and pay their subscriptions.

Sue Nette, a well-known local actress, will lead a play-reading and a short period of the evening will be devoted to "getting acquainted" and followed by the election of four committee members to join the "pro tem" executive committee already in existence.

The turn up of prospective members at the first play-reading on Monday, February 7 was most encouraging, several young people in the 15-18 age group showed a great deal of promise and were supported by several married couples and fathers and sons. After the play-reading the draft constitution was presented to the meeting and discussed amended and finally accepted.

Membership fees will be as follows—

Adults (age 18 and over), £1 (\$2) per annum; Junior Members up to 18 years, 10s. (\$1); Full-time students, 5s. (50c) (this includes members of any age who are attending school, college or university full-time); Family Membership, £1 10s. 0d. (\$3) (this includes husband and wife members and their children).

The aims of the Group are to foster the appreciation of drama in the community.

It is hoped that the Altona Drama Group will enter the Victorian Drama League One Act Play Festival this year at Frankston and that the selected play together with a play performed by another group will also be presented in Altona during the year.

New members are welcome and details concerning membership may be obtained from the Hon. Secretary, Miss Bernadette Twomey, 65-8181, or Mrs. Gwladys Winfield at 65-8171.

BIRTH

Mr and Mrs R. Richardson, of David Street, Altona, are very proud grandparents for the first time. A son, Rodney James Millington, has been born to their daughter and son in law, Norma and Brian Millington.

Centenarian Honoured

Mrs. Agnes Newton was selected as Northcote centenarian to be honoured by the Australia Day Council.

She received the address of honour and an accompanying gift of Royal Albert China.

Mrs. Newton will be 101 years of age on April 29.

It will be remembered that Mrs. Newton celebrated her 100th birthday at the home of her son, Mr. Bert Newton, of Millers Road.

On her 100th birthday Mrs. Newton was the recipient of a cable from the Queen and telegrams from the Governor of Victoria, the Attorney-General and many others.

Mrs. Newton has 18 grandchildren and 16 great grandchildren. Her husband died 45 years ago.

LIONS CLUB

The presentation of Charter to the new Lions Club of Altona will take place on February 19, in the Civic Hall, Altona.

District Governor, Lion Ern Basford, will present the charter and official guests will include the Shire President, Cr. S. G. McIntosh, and the Hon. A. W. Knight, MLC.

Thanks

Mrs Pimpini, of the elderly citizens flats at the corner of Blyth and Romawi Streets, Altona, thanks Mr Sutton, Mr King and Mr Richard for receiving a bag of wood in the name of all her friends of the flats.

PFA MEETING

New members will be made most welcome at the next meeting of the Presbyterian Fellowship Association to be held at the Church Hall in Civic Parade, at 8 p.m. tomorrow night, Friday, February 11.

"Education Dept. Family"

The Holmes family of Altona are gradually becoming an Education "Department family."

Mrs. Holmes is secretary at Altona High School.

Her daughter, Rhondda, has now commenced her first teaching appointment. She is an infant teacher at Altona Primary School.

New Priest

With the appointment of another priest to the district there are now three attached to the Catholic Parish in Altona.

The new arrival, Rev. Father M. Kelleher, came out from Ireland in 1958.

For the last seven years he has been with the Ringwood parish.

FAREWELL AND WELCOME SOCIAL

Members of the Presbyterian Church in Paringa Road, Altona North, will hold a Farewell and Welcome Social Night at the church this Friday, February 11, at 8 p.m.

Mr Colin Squires will be farewelled and the new minister welcomed.

Speaker From New Guinea

Next Sunday, February 13, the Reverend Robert Butters recently appointed Victorian Secretary for the Australian Board of Missions, will be visiting Altona to speak at the morning services at St. Eanswythe's.

He has recently returned from several years work as a missionary in New Guinea, and he should have a good deal of first-hand information to give about the work and the special problems and needs of the New Guinea Church.

PARISH BALL PLANS

The next steps in the planning of St. Eanswythe's Parish Ball (to be held on July 15) will be made next Monday night, February 14.

The ball committee will be meeting that night at 8 p.m. at the Vicarage, 7 Bent Street.

HISTORICAL SOCIETY MEETING

First meeting of the year for the Altona Historical Society will be held next Wednesday night, February 16.

Commencing at 8 p.m. members will meet in the society's room at the Homestead, 128 Queen Street.

All interested residents are welcome.

Altona North Mothers' Club

The Mothers' Club at Altona North Primary School is losing no time in starting activities for this year.

Next, Saturday, February 13, a cake stall will be conducted in Borrack Square and residents are urged to buy their weekend cake from the mothers.

A beetle evening will be held at the school on the following Tuesday, February 15, commencing at 7.45 p.m. Admission will be 3s. and prizes and supper will be provided.

Head Master Mr. A. Blackie, reports that since the £300 (\$600) presentation by the Mothers' Club has been added to the Assembly Hall Trust Fund the balance now stands at £700 (\$1400).

SCOUTS BOTTLE DRIVE

The 3rd Altona Scout Group will again be conducting a bottle drive to augment their Hall Building Fund. Bottles will be collected on Sunday, February 13 in the Altona North and East areas, West Newport and surrounding areas. Any person who has bottles to be collected can arrange to have this done by telephoning 391-4593.

St. John Ambulance

Are you interested in learning first-aid?

A course of instruction in first-aid will commence at 8 p.m. on Thursday, February 24, at the Youth Hall in Civic Parade. Persons over 16 years who wish to avail themselves of this useful knowledge can enrol at the Youth Hall on February 17 after 8 p.m., or on the first night of the course.

Further particulars may be obtained from the superintendent of the Altona Division of the St. John Ambulance Brigade, Mr Don Woodcock telephone 398-1033.

STARTS FARMING SCHOOL

On Sunday, February 13, two of our local youths will commence study at Dookie Agricultural College. They are former students of Altona High School, Andrew McKinney and Terry Woodcock.

The main purpose of the college is to teach the principles and practices of Agriculture to those who intend to adopt, as a vocation, farming or other enterprises requiring an intimate knowledge of farming.

By successfully completing the three year course these boys will qualify for the Diploma of Agricultural Science.

This course has major studies in Agriculture, Animal Husbandry and Agricultural Engineering. Minor studies include a "science" Matriculation course and tertiary courses in such subjects as Botany, Zoology, Entomology, Microbiology, Surveying, Book-keeping, Economics and Statistics.

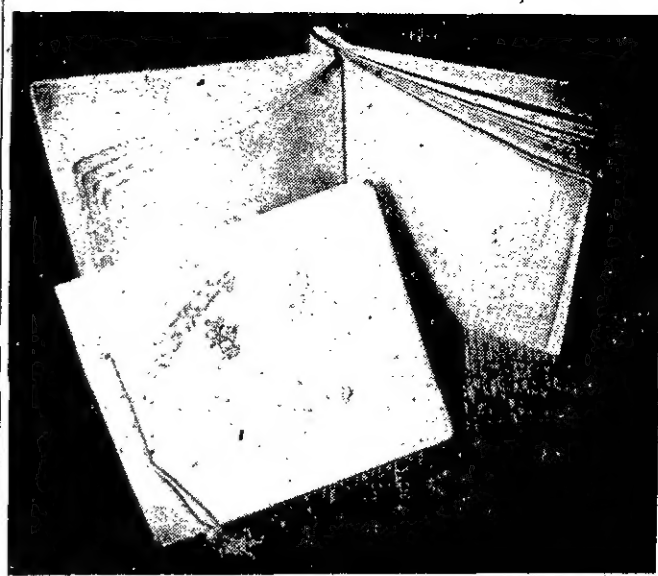

Women in Jobs

Nearly half a million Australian women now go to work or help their husbands run businesses and farms.

Women have contributed about 40 per cent of the increase in the labour force over the past decade and this proportion is expected to be even higher during the coming decade.

Before the war only 10 per cent of women in industry were married. Today the figure is over 40 per cent. By 1975—one in every four married women is expected to be at work compared with one in six today.

Main causes of the change have been opportunities for earning good wages. Mechanical aids in the house have no doubt also contributed. But despite the increased number of women now at work Australia lags behind other countries in paid employment.

Let's Play Darts

The game of darts is, without a doubt, one of the most fascinating and useful games ever invented.

It has many excellent qualities to commend it to all those who enjoy fun, good companionship, gentle exercise and the exhilaration afforded by prowess, which are the rewards so abundantly showered by the game on its adherents.

Darts are enjoyed by young and old of both sexes, and for the amount of fun and enjoyment it provides the cost involved is negligible and the game is so adaptable that it can be played indoors or out, in the home, in hotels, in the clubs, in work canteens, at festivals, fairs, in short, anywhere, where at least two people meet together.

The Western Suburbs Darts Association, which is affiliated with the Victorian Darts Association and the Australasian Darts Council, has been charged with the responsibility of promoting and organising the sport of darts throughout the western suburbs and desires to form divisions in the various suburbs comprising the western suburbs.

With this in mind it is hoped to bring together, in friendly competition, hotels, social and sporting clubs with similar interests.

The 1966 season commences the week ending March 4 and a cordial invitation is extended to all clubs to enter a team or teams in the local division. A team consists of six players.

Divisions are to be formed in Williamstown, Footscray, Altona, Werribee, Brooklyn, Sunshine, Yarraville, Braybrook, Maidstone, Deer Park, etc. A minimum of eight teams constitutes a division. However, the association will allow for the merging of proximate suburbs to ensure a solid eight team competition until this figure is reached.

Therefore, if a club cannot be ready to commence by the week ending March 4, it could be a couple of weeks before another division is formed, thus giving the necessary time to get a team organised.

The association will be holding its annual general meeting on Wednesday, February 16, at the RSL Hall, 31 Sargood Street, Altona, at 8 p.m. at which nomination of teams will close.

The basic requirements for nomination are—

NOMINATION FEE: £1 (\$2) per club;
FIDELITY FEE: £2-20 (\$4.20) per team. (This fee will be refunded if the team completes the season). A club may enter as many teams as it so desires.

PLAYERS REGISTRATION FEE: 10s. (\$1) per player. (A club may register as many players as it so desires.

This fee includes—

- (a) Association's membership badge;
- (b) Free entry to association singles, doubles and the teams championships;
- (c) Registration with the Victorian Darts Association and the Australasian Darts Council;
- (d) Eligibility to compete in Inter-League, State, Interstate and Australasian Championships.

HOME GROUND: Must be able to provide suitable home ground. (Garages, sheds, etc., are not suitable.) Own club-room, hotel, etc., are acceptable.

The association can assist clubs in many ways by supplying dart boards, darts, etc., at wholesale price.

Interested clubs who require any additional information, can obtain same by contacting the association secretary, R. Rose, Box 16, PO Altona, W.18, or by telephoning 65-8221 (8 a.m. to 4 p.m.) or 68-0214 after 5.30 p.m.

1966 STATE DART TITLES
This year the State Championships will be conducted at Mildura during Easter week, end, April 8 to 11.

Lady Nell 'Seeing Eye' Dog School

The Lady Nell "Seeing Eye" Dog School and Rehabilitation Centre for the blind which is situated at 14 Thanet Street, Malvern, Victoria, provides "Seeing Eye" Dogs free to any blind person resident in Australia.

These wonderful dogs give an independence and freedom of movement to many blind folk.

It takes six months to train a "Seeing Eye" Dog and then the blind person comes into residence at the school for a further month to six weeks to learn how to work with the "Seeing Eye" Dog.

The training of "Seeing Eye" Dogs is only one facet of the work being done at the Lady Nell "Seeing Eye" Dog School. Many blind men and women are brought by voluntary drivers to daily craft classes where they learn upholstery, sea grass and plastic stool making, cane work, pottery, weaving and many other and varying crafts. This not only restores a blind person's confidence and helps them to readjust themselves to blindness, but also assists the families of blind folk to a better understanding of blindness.

Most of the teachers at the Lady Nell "Seeing Eye" Dog School and rehabilitation centre are blind, or partially blind persons and thus they are able to show other blind people just how to cope with what may seem to be an insurmountable difficulty.

Women are encouraged to continue with their usual household chores and men to feel that life again holds an interest for them. A newly blind person is immediately stimulated to greater interests when they are taught, for instance, how they can again write with a pen and pencil, or learn to use a typewriter, thus freeing them from the necessity of having to depend on others to write their personal letters. At the Lady Nell "Seeing Eye" Dog School and Rehabilitation Centre, blind folk from all walks of life meet others who have had similar experience to their own. Just coming in contact with other blind folk can be of tremendous benefit to those people.

Sometimes, it is best for these blind folk to come into residence at the centre and so regain their confidence away from the family atmosphere. The directors of each department of the school, who themselves are blind or partially blind, aim to keep the atmosphere of the school as far removed from an institution as possible, and thus the different groups are kept very small so that each and every blind person can be given individual attention and understanding of their particular problem. We often find that many blind persons have been hidden away in our community and thus deprived of an opportunity to live full and useful lives. We are anxious to help such people.

The State-wide appeal for the Lady Nell "Seeing Eye" Dog School in February this year has been sanctioned by the Hospitals and Charities Commission. The appeal has the wholehearted support and backing of the "Seeing Eye" Dog Owners Association of Australia.

Cheques are to be made payable to the Lady Nell "Seeing Eye" Dog School and sent to the Honorary Secretary, 119 Thanet Street, Malvern, or donations may be sent through any branch of the State Savings Bank in Victoria.

THE LADY NELL "SEEING EYE" DOG SCHOOL

provides "Seeing Eye" dogs and rehabilitation free to the blind. You can help in this work of giving independence to the blind by supporting our statewide appeal for funds. Visit the school any Sunday afternoon between 2 and 4 p.m. and send your donation NOW to the Lady Nell "Seeing Eye" Dog School, Thanet Street, Malvern. All donations of £1 (\$2) or more are deductible from Income Tax. Support your local candidate in the Lady Nell Quest.

TRIBUTE TO Cr. HEARN
At last Tuesday's executive meeting tribute was paid to the late Cr. V. L. Hearn for the assistance he had given the club. As president of the Shire of Altona he had been invited to be Chief Patron but unfortunately was taken ill before he could accept. However, the feeling was that Cr. Hearn would have been willing to accept the office and as a token of respect and affection the members of the executive committee stood in silence.

ALTONA LOOK SAFE

Against Williamstown CYMS in the Williamstown and Footscray District Cricket Association A Grade match, Altona were given sound batting displays by Thomas, Perussich and Page to total the respectable score of 154.

A mix up in running between wickets by Thomas and Perussich broke up a partnership that was looking very good.

ALTONA B1 DOWN

Altona B1, away to CFC at Yarraville, although behind on the first innings, could get up for an outright win.

Altona, batting first, failed to get on top of the CFC attack. Only Martin Crump showed any style with the ball in scoring 15.

CFC bowler Elso in taking 4 for 5 was mainly responsible for dismissing Altona for 61.

Altona faced with the task of dismissing CFC cheaply found a new star in Geoff Adam, who took 6 for 33 and CFC declared at 9 for 87.

Altona, going for the outright win, had lost 1 for 17 at stumps.

86 BY MYERS FOR ALTONA B2

Altona B2, away to Williamstown RSL, are in a good position to force their second win for the season.

RSL won the toss and put Altona in and had early success with Altona being 2 for 4, but a good hand from Graham Cummin (20) and a typical whirlwind effort from Tom Myers (86) had Altona finishing with a solid 135.

Association leaders RSL, needing form players for the finals, could not get on top of the Altona bowlers and only a sound innings from J. Coffey (75) prevented a complete collapse.

Myers again starred in this innings, taking 4 for 41 and receiving good support from young bowlers Calaz and Critchley.

ALTONA UNDER 16 COLLAPSE AGAIN

Altona juniors at home to Southern Cross, again failed to take the initiative with the bat and could go down on the first innings.

Altona won the toss and elected to bat, were quickly in trouble against the accurate Les Norton. A foolish run out worsened Altona's position to 4 for 1.

The next batsmen recovered the situation for Altona and Ford, with another good innings, helped Altona recover to be all out for 81.

Les Norton took the bowling honours with 6 for 18.

Southern Cross batted confidently against a mild Altona attack and finished the day at 2 for 39 and are in a good position for a first innings win.

The roster for Saturday, February 12 is J. McNeillage, J. Milliken, C. Ford, S. Thompson, Mrs. G. Abberton Sen., and Mrs. Abberton Jun.

Table Tennis News

Round 12 of the Western Suburbs Table Tennis Association summer pennant season was completed last week, leaving only three more rounds before the finals.

In A Grade Maidstone are on top with 40 points and cannot be displaced. Second team Altona, 38 points, should hold this position. An interesting tussle for third place lies between Seagulls and Williamstown, both on 28, with Seagulls holding a better percentage.

Newport Stars (44) appear to hold a mortgage on the premiership in C3. Altona North hold second place with 24, and following them are Kinnears, Rheem and AGM, all on 20.

MATCH COMMENT

Veteran Ted Veiss still ranks as one of the best left handers in the game. Against Altona he was outstanding for Newport, taking three rubbers in effortless fashion.

Altona Lacrosse Club

Any boy interested in playing lacrosse is invited to attend a meeting of players tomorrow night, 11th February.

Parents would also be most welcome to come along at 7.30 p.m. to 24A Bent Street, Altona.

W.S.P.C.C.A. WIN THREE OUT OF FOUR

The Western Suburbs Churches Cricket Association had a successful day in their Australia Day games against the Geelong Churches last Monday week.

They played two senior and two junior games and won the two senior, one junior and narrowly lost the other junior match.

Highlight of the games was the fine bowling performance of 16 year old John Wall, who captured six Geelong wickets for 29 at Fearon Reserve.

A Teams defeated Geelong at Geelong, the scores being—

Western Suburbs 218 (J. Rowe 89, S. Roberts 21, D. Forbes 32, J. Collett 22) to Geelong 9 for 167 c.c. (L. Bates 3 for 49, J. Collett 2 for 34).

The Juniors at Geelong were 7 for 263 at the close of their allotted batting time (G. Horsborough 59, R. Hewitt 51, K. Hamilton 51, P. Bowyer 24, G. Garnsworthy 23, K. Johnson 20). Geelong were defeated when they could only manage 7 for 117 at the end of their batting time. Best bowlers for Western Suburbs were S. Loughran (2 for 12) and K. Hamilton (2 for 21).

B Team, playing at Fearon Reserve, Williamstown, batted first and made 192 runs (L. Murray 47, C. Dunn 46, Ron Brown 29, N. McLeod 38, I. Young 16). Geelong were then dismissed for 104 (J. Wall 6 for 29, C. Dunn 3 for 6, Ron Brown 1 for 35).

In the Junior match played at Market Reserve, Williamstown, Western Suburbs closed at 9 for 164 (W. Anderson 29, P. Young 29, were the top scorers). Geelong in reply made 180 after being 5 for 61. Best bowler for Western Suburbs was G. Hayes (4 for 48). W. Anderson and Bill Kennedy took a wicket each.

BASKETBALLERS IN THE FOUR

Both basketball teams are in the four. No. 1 is still maintaining second position having had only two losses this season but No. 2 who are lying fourth will need to win most of the five remaining matches in this series.

Last Monday No. 1 team defeated Power House 58 to 34

The local side considered they were a weak team as two of their players were replaced with two No. 2 team players. But the result proved differently. Players were Bruce Pizaro, Jim Davis, Peer Wagner, Colin Rattray (a very small player for this game), promising new player John Carr and No. 2 player Ian Whitten.

From the start Altona went to an early lead. However short in height they were compared with the Power House boys, the Altona team made up with speed and clever ball handling

At times Altona appeared to be clumsy but Bruce Pizaro played well and scored a total of 28 points. Other points scored were Ian Whitten 16, John Carr 6, Peter Wagner 4, Jim Davis 2, Collin Rattray 2.

The No. 2 team scored a decisive win over Kew by defeating them 28 to 16.

With the return of Brian Leddin and Brian Hoyland the Altona team was back to usual strength. They all played well with Brian Leddin being best player

Get the great feeling of driving a NEW FALCON HARDTOP

Come in and test-drive Australia's
first and very own Hardtop . . .

This is the car to get you there—with *fair!* Of all the great new Falcon's, the Hardtop has the most exhilarating combination of styling, performance and luxury . . . and brings you solidity, strength, quality, far in excess of average standards.

Here are some of the wonderful things you
will enjoy . . .

- Sleek, distinctive, pillar-less styling.
- Falcon's higher-powered "Pursuit 170" engine as standard equipment.
- New, rugged "Torque-Box" chassis construction.
- New ride—plus new stability and cornering ability.
- A completely sound-proofed and insulated body.
- New "Fordomatic 3S" 3-speed automatic transmission.
- Completely new interiors — the most comfortable, most luxurious anywhere near Falcon's price.
- Choice of 2 models—the Deluxe, and Futura.

CHEMIST

APPLICATIONS ARE INVITED FOR TWO INTERESTING POSITIONS FOR YOUNG QUALIFIED CHEMISTS.

One Chemist will work within our Technical Service Group on Customer problems relating to a wide range of synthetic rubbers. Some previous experience in rubber chemistry would be an advantage, but this is not essential. Emphasis will be placed on technical and personal qualities. One Chemist will work within a Development Group, dealing with problems related to plant operations, new products and process development and raw material evaluation, where he will employ a wide variety of analytical and physical chemistry techniques.

Applicants should preferably be not more than 30-years-old. A liberal salary up to \$5000 will be negotiated, having due regard to age, qualifications and previous experience.

These positions offer top amenities, including modern laboratory, cafeteria, excellent pension plan, social club, etc.

Apply in writing to Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for further information if required.

FIVE YEARS AGO

The following is taken from the "Altona Star" of Thursday, February 9, 1961—

OPERATION BEACH CLEAN

A meeting of interested organisations included the youth club, yacht club, life savers, St. John Ambulance and ANA Cricket Club. The pedal club was interested but not represented.

BOWLING CLUB

A greens committee was formed—chairman, M. Deegan and Messrs. A. Turner, C. Bunker and D. Cunningham.

RED CROSS APPEAL

Attendance at meeting disappointing—arrangements made for a door knock appeal.

LIFE SAVERS

A further 17 pupils gained swimming certificates, making 59 to date.

TRAVELLING LIBRARY

Advertisement offered good range of books.

ELDERLY CITIZENS

Elderly citizens invited to attend a meeting to form a social club.

LAND AUCTION

Sixteen lots for sale on the Civic Centre Estate between Lily and Maidstone Streets, off Nellie Street (Location would now read: between Grieve Highway and Maidstone Street, off Civic Parade).

TENNIS TEAM

The A Grade tennis team for Saturday, February 11, 1961, was R. Graham, A. Butterworth, C. Turner, M. Harrington, J. Parkinson and B. Bryant. Emergencies were Len Findlay and Linda Findlay.

STILL NO RELIEF FROM HEAVY SEAS

Yet another hard day's sailing was experienced at Altona Yacht Club last Saturday. The southerly wind was strong and gusty, and its direction was constantly changing, sending many crews swimming.

The outstanding performance of the day was put forward by Laurie Pound sailing Curlew. He won the Moth Section using a cotton sail, a rare occurrence in these days of terylene and dacron sails. His own dacron sail was unavailable.

SATURDAY HORNETS

The Victorian Hornet Champion, T. Jones, sailed Jet to victory on Saturday, displaying his early season's form. Jet's winning margin was four minutes seven seconds. After a close start Moonraker (A. Owen, D. Philp) and Rock 'n' Roll (J. Neal, P. Egan) appeared to be the leading boats. Rock 'n' Roll was first to round the windward mark and maintained her lead until the second beat. It was then that Jet managed to break through Rock 'n' Roll by taking greater advantage of the changing wind direction. Rock 'n' Roll was then challenged for second position by Laphil (T. Philipps, L. Laker).

During the second lap Rock 'n' Roll capsized, to further increase Jets lead. Laphil then in second position sailed on to complete the race in second place, 1 min. 42 sec. in front of Rock 'n' Roll. Two Hornets retired during the race. They were Moonraker and Struan Mist (A. Robertson) who broke a rudder.

MOTHS

Curlew won the start and was first to the weather mark, closely pursued by Struan De'il (K. Robertson). Although Struan De'il seized the lead on the downwind run Curlew reclaimed it on the following beat. The lead was exchanged in this manner many times as the race progressed. Curlew was in front when the prescribed five laps were completed, and so won the race, but neither skipper realised that the race had finished and they both completed an extra three laps.

HERONS

Random (L. and K. Marion) and Impulse (F. Mallet) were first off, but Moon Doggie (R. and W. McMaster) rounded the weather mark in first position. On the free leg Impulse capsized and was passed by Random and Tassie Too (W. Hudson), who continued to tussle for second position. Moon Doggie took line honours and Random and Tassie Too filled second and third places respectively.

SUNDAY

A series of novelty races were held on Sunday. They were the novice skipper's races for skippers who have not won a race; the old buffers race for skippers over 40 years of age and the ladies skippers race. The old buffers race was won by the judge and starter of club racing, Jock Robertson, in the Heron Joanne.

St. Eanswythe's Annual Meeting

The Annual meeting of St. Eanswythe's Church of England Parish will be held at 8 p.m. next Wednesday, February 16, in the Parish Hall. Annual reports will be presented and church wardens, vestrymen and other church officials elected for the coming year.

Ladies Pennant Bowls Results

Altona Ladies Bowling Club had two wins and a loss in their pennant matches last Tuesday. Altona No. 1 68, were defeated by Doutha Galla 77. Altona No. 2 85, defeated Sunshine 60. Altona No. 3 73, defeated Deer Park I.C.I. 30.
